ADMINISTRATION

In Appreciation

A. N. Busse

Superintendent
M-F-L Schools
1951-1971

"The aim of education is to enable a man to continue his learning." Mr. Busse has pursued and fulfilled this aim for 42 years.

Hs received his BA at Minnesota State College and his MA at the University of Iowa.

He spent two years teaching in rural schools and two years as an elementary principal in Wisconsin.

When he came to Iowa, he taught one year at Staceyville. He then began the first of his 37 years as a superintendent. Nine of these years were spent at Readlyn, eight at Aplington, and twenty at M-F-L. During the latter time, a consolidation of three schools in our community took place and two building programs were completed. Changes in curriculum to meet the needs of the students have also occurred.

His many outside activities included two terms on the Girls Athletic Basketball Association of which two years were president; president of the County Schoolmen at Aplington, Readlyn, and Monona; president of the Kiwanis in 1962; and Chairman of the Board of the Methodist Church for six years.

By giving generously his time and talents, he has served as an inspiration to all. Even though he is leaving our school system this year, we will long remember the years he has spent here enabling us to continue our learning.

Board of Education

SEATED: Mr. Donald Huinker, Mr. Clyde Thompson, President; Mr. A. N. Busse, Superintendent; Mr. Jerome Schultz.
STANDING: Mr. William Schlein, Mr. Keith Lee, Mr. George Heins, Secretary; Mr. James Burger, Treasurer.

What greater or better gift can we offer the republic than to teach and educate our youth?" Cicero

Providing a good education for the students of M-F-L is the goal to which the M-F-L School Board dedicates their time and effort.

President Clyde Thompson is serving his first term in this capacity on the board, and it is his third year as a member.

Three new members joined the board this year: Jim Burger, treasurer; Donald Huinker; and Jerome Schultz. Along with experienced members: Keith Lee, 3 years; William Schlein, 13 years; and George Heins, member for 27 years and secretary for 24 years; our Board of Education is a combination of the best of old and new.

Administrators Have Varied Duties

Mr. D. J. Swisher, high school principal and athletic director, has completed his second year at M-F-L. He received his BA degree from the University of Northern Iowa and his MA from the University of South Dakota. His father's advice of being friendly, fair but firm, when dealing with boys and girls is reflected in his remarkable patience and understanding with students.

Preparing students for a life beyond that of high school, has been the job of Mr. Harold J. James for ten years. He received his BA degree from Buena Vista College and his MA from the University of Iowa. Because of the many problems students confront him with, it is no wonder that his best advice would be to consider the alternative of a bad situation before you decide that it couldn't be worse.

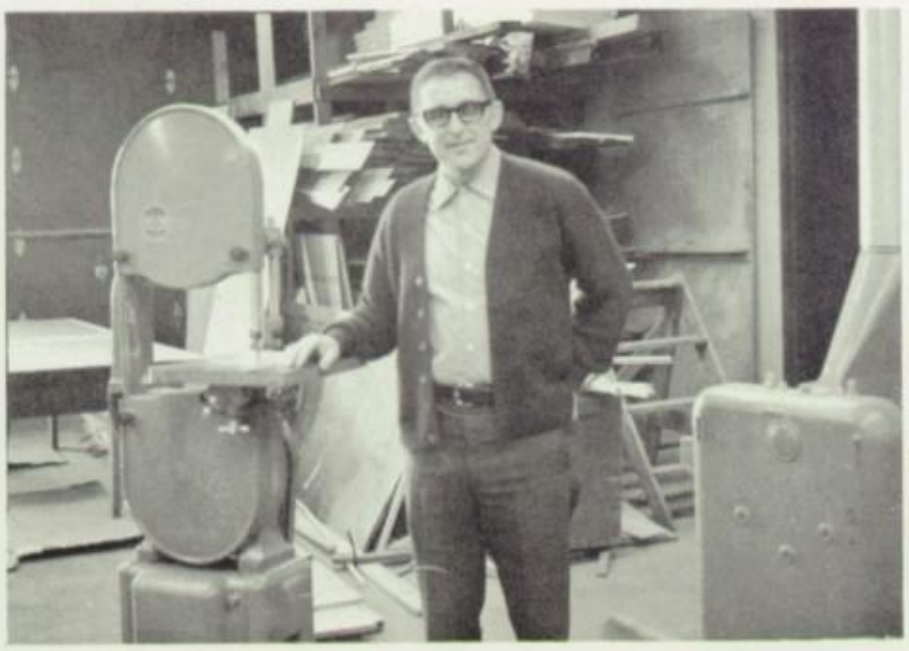
Mr. Roger Swanson, elementary principal at Luana and Farmersburg, earned two MA's, one in Elementary Guidance and the other in Elementary Administration. These were received at the University of Northern Iowa and his BA degree is from Wartburg College. He can be found conferring with parents, having group discussions with students, or even teaching physical education and remedial reading. Mr. Swanson completed his fourteenth year at M-F-L and believes goals in life can't be attained unless we do some swinging on our own.

Working on schedules, setting up junior high athletics, and taking elementary students on field trips are some of the responsibilities Mr. Wayne Venter has as junior high principal, Monona elementary principal, and junior high athletic director. He is also a Title I co-ordinator. Mr. Venter received his BA degree from Wartburg College and his MA from the University of Northern Iowa. He has completed his twelfth year at M-F-L.

"thoughts that breathe and words that burn."

–Grey

For 21 years, Mr. Walter Begalske has observed the expression on the faces of his physics and chemistry class students as they discovered the "how" and "why" things happen as they do. Receiving his BS degree from Wartburg, he believes the opportunity to be courageous is presented to everyone during some time of his life. He also coaches boys golf.



Mechanical drawing, industrial arts, and woodworking have accounted for Mr. Oswald Goettler's busy days the past 18 years at M-F-L. He received his BA degree from Wartburg College and believes that each of us should set an aim for ourselves in life and strive to reach it.

Education is the main story at M-F-L. Teachers, to a great extent, determine the conclusion of the plot by their leadership in the classroom and extracurricular activities, and by their service in community organizations and church affairs.

"The Best Advice I Ever Received" was a column contributed by the faculty in the BULLDOG GROWL this past year. It was so well received that it is also being featured in this section of the '71 BULLDOG.

"The surest way not to fail is to be determined to succeed," states Mr. John Wachter, vocational agriculture instructor and sponsor of the junior-senior FFA. He received his BS degree from the University of Wisconsin and has taught at M-F-L for the past 20 years.

Mr. Tom James, who graduated from the University of Dubuque with a BME degree, completed his 16th year as head of the music department at M-F-L. He cautions us to weigh our ideas as to their good before deciding if the change will be progress.

Mr. Otis Roby has been teaching at M-F-L for seven years. He stresses to do your job, do it well, but be careful. General science, economics, and physical education classes are part of his busy schedule. He is also the softball, baseball, and head girls basketball coach. Simpson College is where he received his BA degree.

Teaching biology and general science, Mr. Raymond Vangen has occupied M-F-L's classrooms for the past 11 years. He can also be found coaching football and assisting with boys track in the spring. Mr. Vangen feels nothing happens unless it is planned. He graduated from Luther College with a BA degree.

Under the direction of our "Music Man," Mr. Fremont Ogle, the vocal music groups have been led into melodious harmony. In addition to his afternoon practices, he is in charge of senior class night. He received his BA degree from Upper Iowa College and has occupied M-F-L's music room for seven years.

Mrs. George Martin received a BA degree from the University of Iowa and a MA degree from the University of Wisconsin. For 12 years she has taught junior English and supplied the library with up-to-date entertainment and study guides. Because of her close contact with the younger generation she has tried to impress upon them that instead of "dropping out of society, each should use his abilities to improve society."

"Before you say or do anything to anyone, put yourself in the other person's place," is the advice Mrs. Jackson Turner offers us. For the past four years she has taught German, not only as a language, but as a culture of its people. She received her BA degree from Macalester college.

Mr. James Middendorf has instructed government classes and taught driver's ed. for the past four years at M-F-L. He received his BA degree from Upper Iowa and believes you can tell how big a person is by how small a thing bothers him.

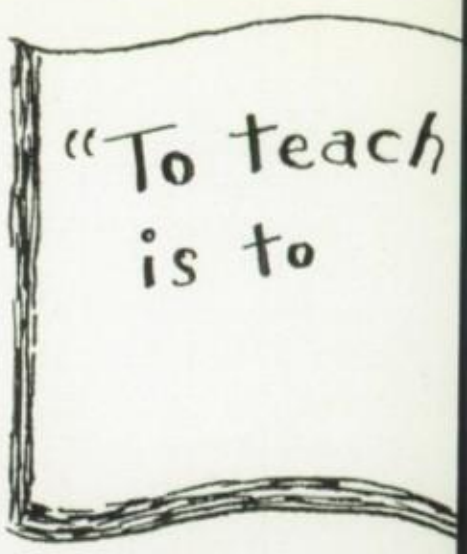
Mr. Terry Heald, assistant football and varsity boys basketball coach, and teacher of geometry, algebra I, and trigonometry, has offered his assistance for eight years at M-F-L. He feels that each of us should do the best he can with the ability he has, Coe College is where he received his BA degree.

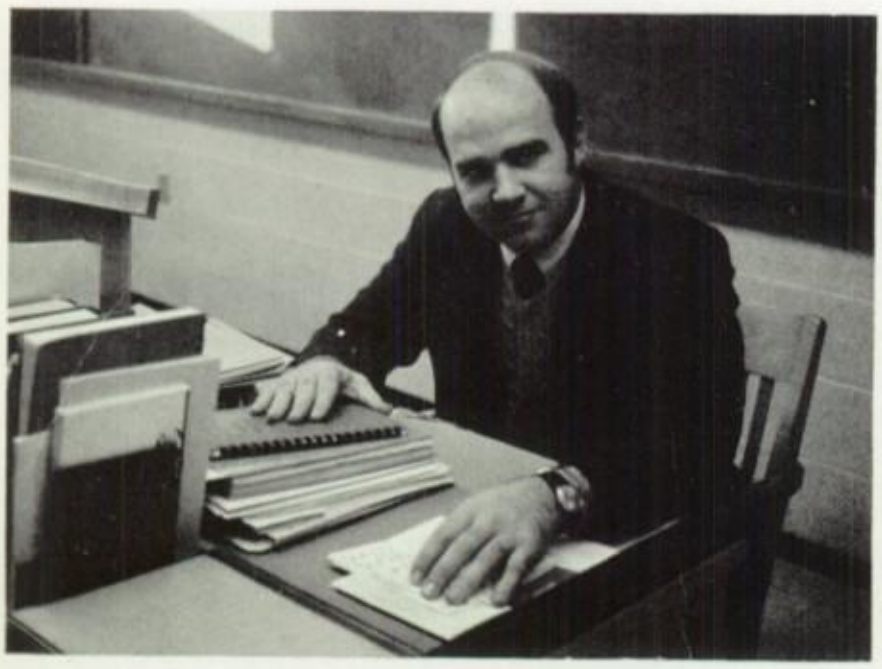
Mrs. Edward Kruse finds her day filled with the task of preparing her students to become efficient secretaries. The courses she does this with are typing, shorthand, secretarial practice, and office practice. School publications are under her supervision. She has served M-F-L for the past 11 years and believes that anything worth doing at all is worth doing well. She received her BA degree from the University of Northern Iowa.

For 13 years, Mrs. Irwin Hamann has been teaching both English III and IV and directing the speech and dramatics department in M-F-L. Since receiving her BA degree from Coe College, she has guided many juniors and seniors through the classics.

Mrs. John Boardman has found her responsibilities of the junior-high library, F.T.A., and freshman English class a major part of her day's schedule. She believes a smile can be as catching as the measles, so we should use it often. She received her BA degree from Upper Iowa College and has completed her sixth year at M-F-L.

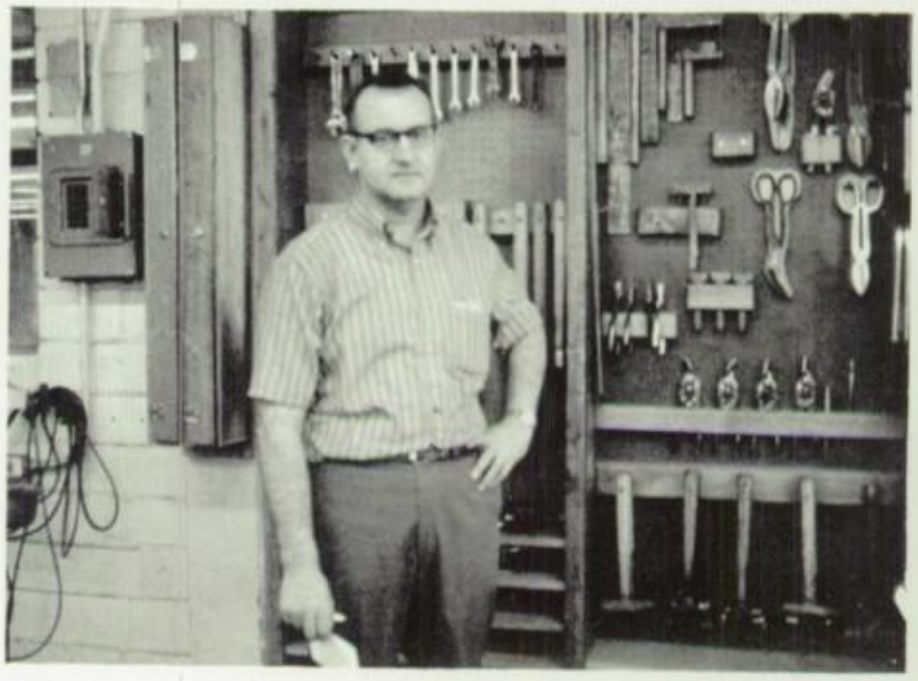
During his five years of teaching at M-F-L, Mr. Ronald Fullhart has influenced his students to look for the best in people. Receiving his BS degree from Tarkio College, he teaches business training, bookkeeping, business math, and business law. He is also business advisor for the annual.





Beginning his third year at M-F-L, Mr. Larry Dawson teaches American and world history. He also coaches girls track and is the assistant coach of girls softball and basketball. He holds a BS degree from Northwest Missouri State College. He believes that one should justify his actions with his own conscience.

Being the freshman-sophomore FFA sponsor is one of the duties of Mr. John Roys. Teaching industrial arts and metal working are his other duties. His BS degree was earned at Colorado State University, and he has been at M-F-L for the past four years.



For three years Miss Shirley Hauan's day has been filled with teaching sophomore English, coaching all junior high girls athletics and physical education. She believes if you do the best you can; even if you lose, you'll be a winner. She received her BA degree from Luther College.

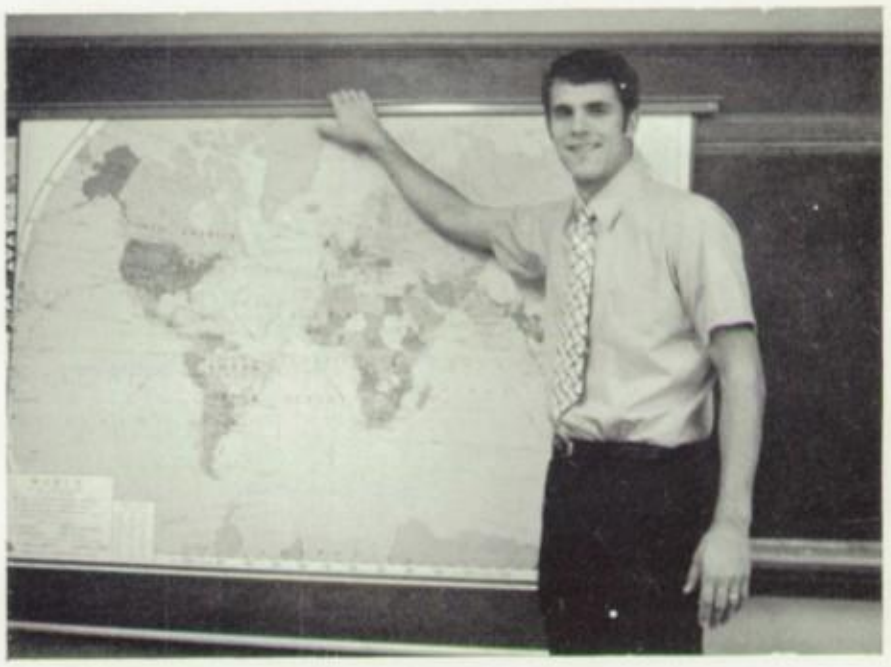
During her second year at M-F-L, Miss Jan Renes has taught home economics and served as a girls basketball chaperone. She is a graduate of Iowa State University where she earned her BS degree. Make many friends and you'll never be alone, is good advice for anyone.

learn
twice."
-Joubert

"Winners never lose and losers never win," is the best advice Mr. Darrel Bridges received. During his first year at M-F-L, he was in charge of the pep band and cadet band. He received his BA degree at Sioux Falls College.

After receiving his BA degree from Upper Iowa College, Mr. David Sanger returned to M-F-L to begin his first year of teaching. His classes are algebra II and general math. Head wrestling coach and assisting in football and girls track also account for his busy schedule.

Earning a BA degree from Coe College, Mr. Jim Ernst has spent his first two years at M-F-L teaching government, world history, and physical education. He also coaches boys basketball and football. He believes that a person will lead a much happier life, if in times of trouble, he will count his many blessings.



After completing two and a half years of instructing elementary, junior high, and high school students in expressing themselves through art, Mrs. Fremont Ogle retired from M-F-L to begin her role as a mother. She holds a BA degree from Luther College.

Replacing her second semester was Mrs. Harley Herrmann. Previous to this change in schedule, she taught the Farmersburg elementary grades for the past 15 years. She will receive her BA degree from the University of Iowa this summer.

Non-teaching Personnel Are Vital to M-F-L

Mrs. Vergean Schmidt has been at Farmersburg for 6 years.

MONONA

Mrs. Ruth Starkey, Mgr., 16; Mrs. Adeline Mista, 6; Mrs. Ramona Christofferson, 4; Mrs. Shirley Jacobson, 10; Mrs. Leona Auterman, 1; and Mrs. Helen Jarms, 6.

CUSTODIANS

Custodians play a vital role in providing the students with pleasant surroundings in which to study. The following people and their years of service have contributed to this cause: Row 1: Mrs. Vella Troester, 9; Louis Seitz, 5; Mrs. Adeline Kottman, 3. ROW 2: Carl Beal, 8; George Balekos, Jr., 7; and Ronald Grady, 3½.

COOKS

Supplying the students at M-F-L with all the nutrients required for a day of school activities is a big responsibility. The following ladies have made this their work for the number of years designated:

LUANA

Mrs. Gertrude Kurth, 1; Mrs. Mabel Gordon, 6; and Mrs. Florence Schroeder, 1.

TEACHERS AIDS

Contributing much assistance to the elementary teachers are the following teachers aids with their designated years of service: Mrs. Penny Howard, 2; Mrs. Vera Pixler, 2; Mrs. Arlene Knapp, 4; Mrs. Myrtle Kluss, 3; and Mrs. Marcella Tayek, 2.

BUS DRIVERS

Before any school day can begin, the students must first be transported to their respective centers and then returned to their homes at the end of the day. The motto, "Your children's safety is our business", is one to which these men have dedicated a portion of each school day for the number of years designated: ROW 1: Leland Johnson, 4; Harvey Montour, 7; Louis Seitz, 3½; LaVern Schrader, 5; Irwin Hamann, 4; Rowland Jones, 2; Glenn Plaehn, mechanic, 18; Harold Moon, Baade, 11. Not shown: Herb Zurcher, 18; Ivan Krueger, 2; and Delbert Whittle, 3.

SCHOOL SECRETARY

Carla Burger has contributed to the efficiency and smooth running of the school as secretary to Mr. Busse. She has held this position for the past four years.

SCHOOL NURSE

Among her duties of caring for the needs of the students, Mrs. Lorraine Christofferson has found her past year at M-F-L busy emphasizing such programs as dental hygiene and typing of new health records. She received her nurses training at Methodist Kahler Hospital in Rochester Minnesota and has been a registered nurse for 16 years.

In Memoriam

Pfc. Louis Lloyd Zittergruen

March 30, 1949-July 17, 1970

Serving his country was a responsibility that Louis considered an honorable privilege. He entered the Army on July 5, 1969, and on January 12, 1970, he went to Viet Nam, where he served with Company B, 11th Light Infantry Brigade.

While in high school, he earned letters in football and track. During the summer of 1967 following his graduation, he toured Europe with the Band of America. Other musical activities included Chancel Choir of St. Paul Lutheran Church, where he was also an active participant in the youth program.

Following his graduation, Louis continued his education at the State University of Wisconsin, Platteville, and Area 10 Community College at Cedar Rapids before entering the Service.

Just two days before he planned to leave on R & R, he stepped on a land mine and was killed on July 17, 1970, at the age of 21 years, 3 months, and 17 days.

A memorial service was held at St. Paul Lutheran Church on July 27, 1970.

At a special assembly, a picture of Louis and a plaque were presented to the school by his former classmates.

He is survived by his parents, Mr. & Mrs. Marvin Zittergruen, a brother, and two sisters.

Arlyn Keith Peterson

February 8, 1952-June 12, 1968

As a member of the class of 1971, Arlyn began his school years with 74 other boys and girls. In the elementary grades, not all was study. There were holiday parties, birthday treats, and the Indian Pow-Wow. These activities in grade school create an interest in extra-curricular activities in high school. Arlyn contributed his share as an active member of F.F.A. and a member of the wrestling team.

Because farming as a vocation appealed to him, he enjoyed sharing the responsibilities at home.

Arlyn had completed his freshman year of school when he was fatally injured in a tractor accident on a country road near his home.

Funeral services were held for Arlyn Peterson, age 16 years, 4 months, and 4 days at the Norway Lutheran Church near St. Olaf where he had attended Sunday School and participated in Luther League. He is survived by his parents, three brothers, and two sisters.

We proudly dedicate the 1971 Bulldog to this American patriot, Louis Zittergruen, and his family, and to a former classmate, Arlyn Peterson, and his family.

CLASS MOTTO
To learn and never be filled is wisdom.
To teach and never be weary is love.

The difference between stumbling blocks and stepping stones is the way a person uses them.

Sheryl Miller

Don't be afraid to laugh right out. The fellow who laughs last may laugh best, but he gets a reputation for being dumb.

Tom Neuhaus

Of course I wouldn't say anything about her unless it was good—and oh boy, is this good!

David Carbelson

One hand cannot applaud, but that's all I ever have free.

Janice Henkes

Trouble and fun go hand in hand.

Marcia Carroll

I'm so short my feet hardly touch the ground.

Amy Heins

Sportmanship is winning as if you're used to it, and losing as if you enjoyed it for a change.

Pat Moore

What I lack in ambition, I make up for in incompetence.

Debbie Fette

I won't do it again some more!

When a bunch of girls get together, pity the first one who leaves.

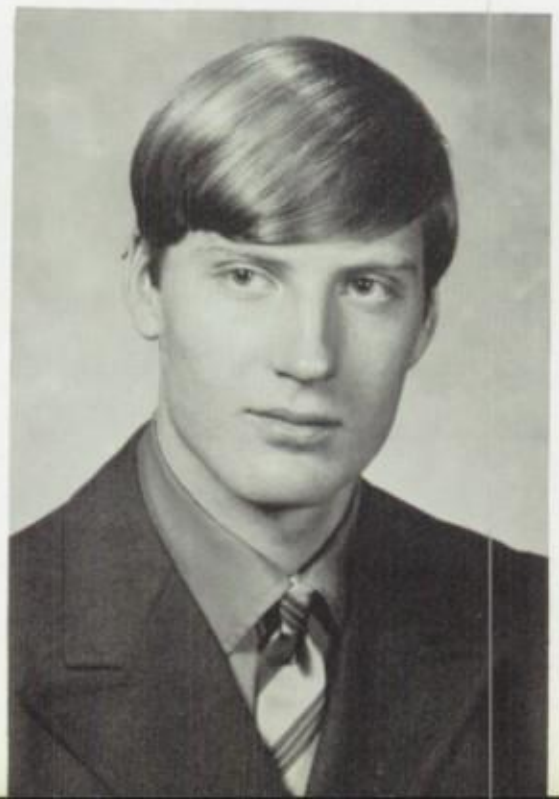
Pam Jenkes

I am the kind of person who likes books. I like LITTLE WOMEN. In fact I like them better than books!

Steve Radloff

My favorite pastime is bird watching . . . "Martins" that is !

Sheila Kottman



Vicki Hill

I'm the kind of person who is known as a careful driver. I drive in the ditches to avoid traffic.

I'm the kind of person who knows the score, in fact I invented the game.

Norma Luster

The Candian Mounted Police always get their man, and I got mine.

I'm not a leader, I couldn't even lead a group in silent prayer.

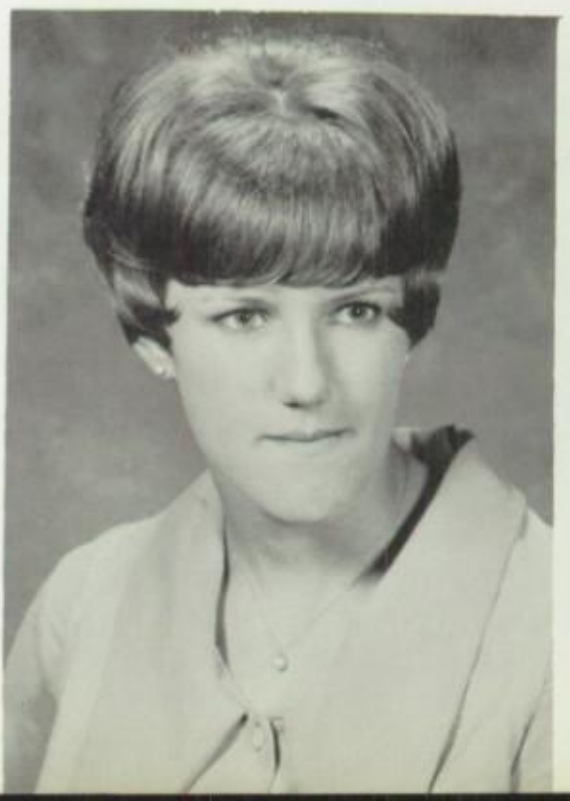
Doug Ade

I have a lot of brains but not enough sense to use them.

Pam Burkart

The thing I wanted most out of school was myself.

Vicki Darrell



Alan Wirkler

What makes you think I'm conceited? Can't you see I have more talent than anyone else!

Jeanine Melcher

Silence: the only successful substitute for brains.

Jim McNally

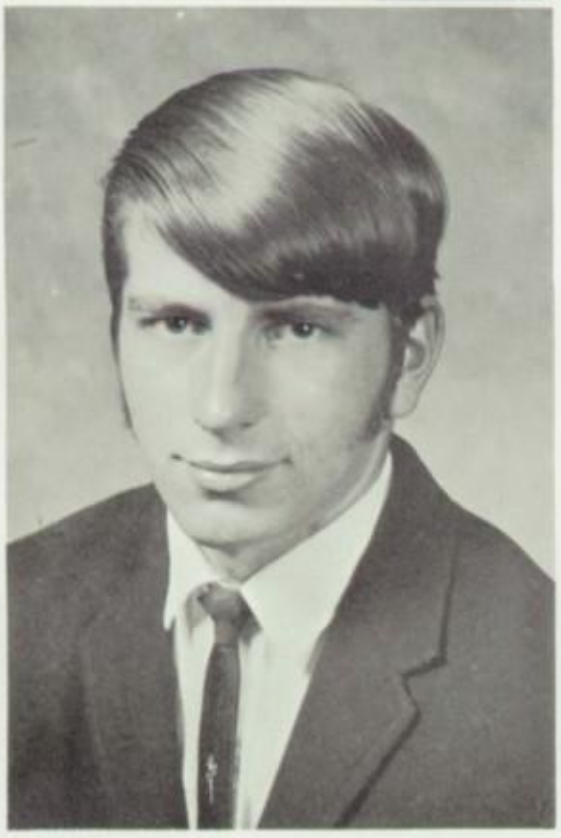
Joel Brown

History repeats itself. That's one of the things wrong with history.



Bruce Moses

Just because I'm quiet doesn't mean I'm a perfect angel.

Tom Olds

I don't believe in ambition, it gets a person into a lot of work.

Janita Puehring

You can make life a bed of roses if you put in a life of spade work.

Kim Fields

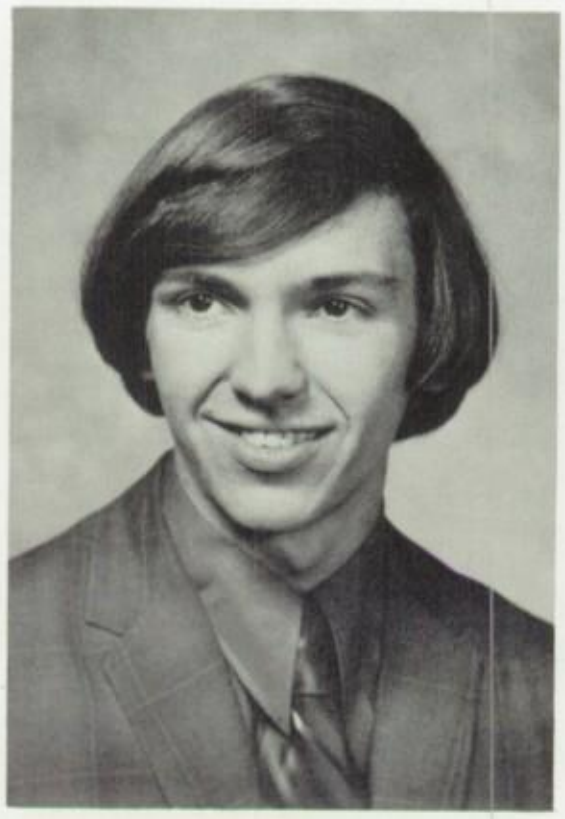
I can always tell a well informed person, his views are the same as mine.

Mary Jo Alson

Some people are always complimented for being cheerful when they're just proud of their teeth.

Sue Kuenster

A secret is what I tell someone else not to tell because I can't keep it.



Bill Lubbers

Be careful what you drink, it's not the ice that makes you slip but what you mix with it.

Ann Huinker

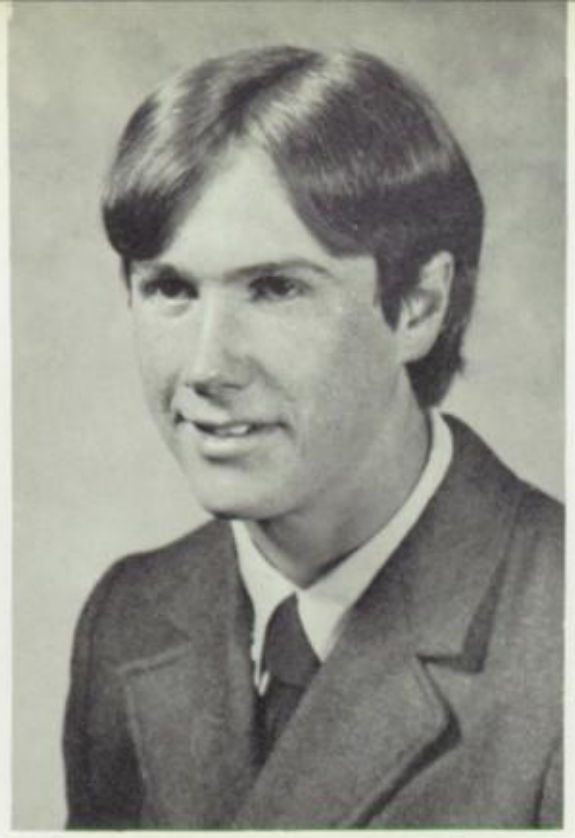
Silence is more meaningful than words.

Ron Evanson

Little words never hurt a BIG Idea.

Jeanne Fuelling

My life has a lot of "Lee"-way.



Roger Gehring

I'm the kind of person who believes it is better to remain silent and appear a fool than to speak and remove all doubt.

Judy Timmerman

There are a lot of noisy people in this world, but I'm not one of them.

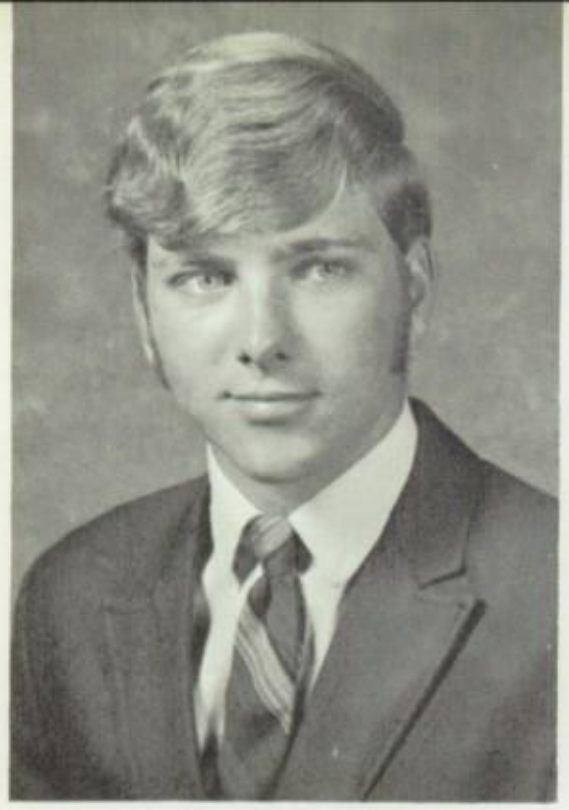
It's too bad I can't put off until tomorrow the things I shouldn't be doing at all.

Claudia Hunker

To fill the BILL, it takes a guy six feet tall with black hair and brown eyes.



Ray Richard

I can take it or leave it, usually I take it.

Karilyn Schroeder

It's what you learn after you know it all that counts.

Todd Kann

Nothing is more terrible than to see ignorance in action.

Sometimes it is better to remain silent and be thought a fool, than to speak and remove all doubt.

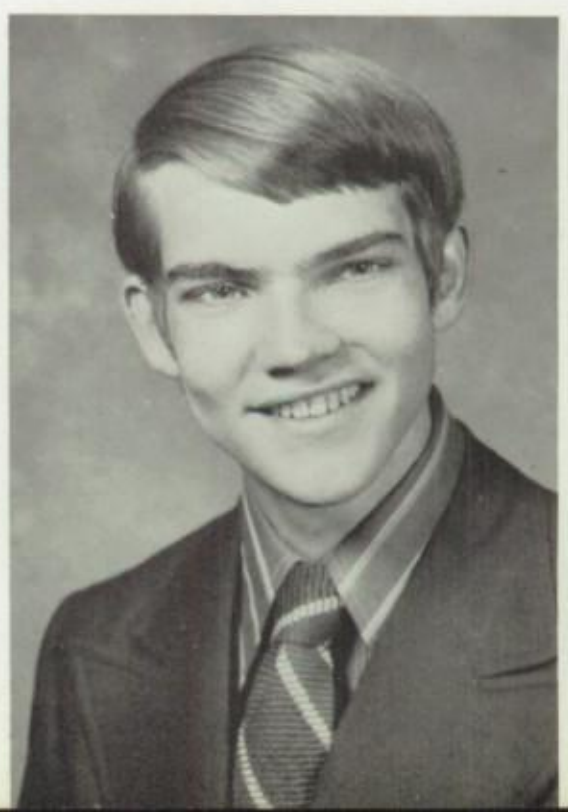
Beth Lange

Why must the phrase "It is none of my business" always be followed by the word "but?"

Karla Wilker

The last thing I want is money . . . also the first.

Steve Ryan

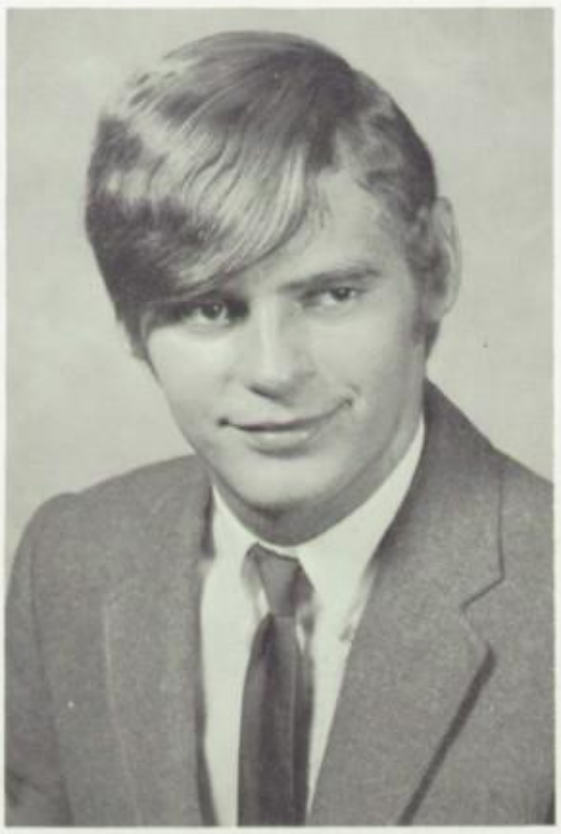


Sandy Ewing

Diamonds are a girl's best friend, but "Jim" is mine.

The probable reason some people get lost in thought is because it is unfamiliar territory to them.

Bill Johannigmeier



Living in Uberlandia, Brazil, Maria Fonseca arrived in Monona, February 26, to spend the rest of the school year in the Gerald Carroll home. Maria's courses included trigonometry, physics, English, and typing. She enjoys dancing, swimming, and listening to music. Her father works in a pharmacy, her mother is a dentist, and she has one older brother.

M-F-L Commencement held Thursday, May 20, gave special recognition to fifteen graduates on the scholastic honor roll.

Baccalaureate services for the class of '71 were held Sunday evening, May 16, with the invocation and benediction given by Pastor Pacholke. Father Heineman delivered the sermon, "Courage, Hope, and a Vision." The high school mixed chorus furnished the music.

Baccalaureate

Commencement

May 20 marked the first big step beyond high school for the seniors. Pastor Steege gave the invocation and benediction. Mr. Bernie Saggau, executive secretary of the High School Athletic Association, was the main speaker and left the class of '71 many interesting thoughts, especially his "Chinese Story." Music was provided by the girls and boys chorus.

Reflections

"Reflections", presented on Tuesday, May 11, brought memories of past experiences to the class of '71.

After the opening, Jon Blumhagen, president, offered the class robe to the president of the class of '72, Loren Lenth. This is a tradition of class night.

Following the presentation, a dance line, band numbers, several skits, walk-ons, and choral songs were given for the enjoyment of all.

STUDENT COUNCIL

Student council members are representatives of the student body, with two members elected from each class and the senior class president. Their responsibilities are planning the Homecoming festivities and aiding in any way to help the school run smoothly.

Membership in the National Honor Society became a family affair when Allen Miller signed the official register, joining his sisters Connie and Sheryl as members. Connie was inducted in 1967 as a junior and Sheryl was inducted in 1970 also as a junior. All were active in extra-curricular activities, in addition to their scholastic standings.

NATIONAL HONOR SOCIETY

Selected on the basis of scholarship, leadership, character and service, seven students were inducted into the Blanche Sherman Chapter of the National Honor Society. Ceremonies were held March 30 with Mr. Dave Sanger acting as master of ceremonies. Following the induction, the members, their parents and clergy were honored at a reception.

Homecoming festivities for 1970 began with eager anticipation of the event. School spirit gained momentum which was captured at the bonfire pep rally on October 8. Despite dismal weather, the festivities continued the next afternoon with Dixie Russett was crowned homecoming queen at a large pep rally in the heart of Monona. That evening the mighty Bulldogs were overpowered by the Valley Tigers. Before the dance began, Queen Dixie crowned Douglas Ihde king. Music was furnished by the Rubber Band.

M-F-L's Own

With only one returning starter, the basketball girls began the year with a goal of attaining a winning record. They more than achieved this goal by entering District competition with 12 wins and 5 losses. Claiming one more victory in District action, the Bulldoggettes finished the season with a 17-8 record.

Scoring an average of 70 points a game, the team shattered the preceding offensive scoring record. Many individual records were also broken.

Chris Glawe and Gail Langholz were honored at the close of the season by being selected as All-State Honorable-Mention members. Gail also qualified for a third trip to the State Freethrow Competition by claiming Sectional and District titles. She made 23-25 and 9-10 freethrows in Sectional competition and also 23-25 freethrows in the District shoot-off.

Freethrow Champ and All-State forward, Gail Langholz.

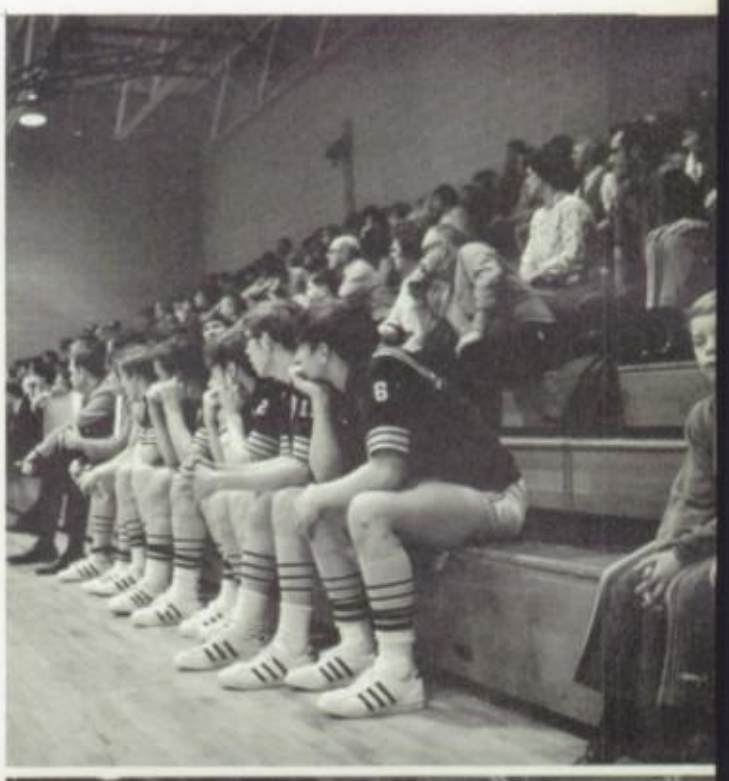
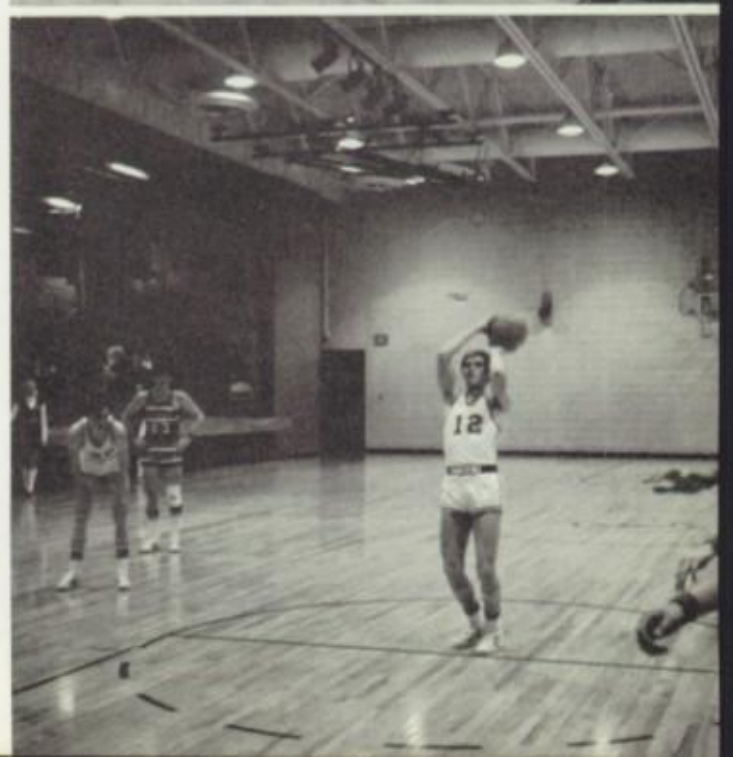
Hoop Leaders

Starting the majority of the games this season were three juniors: Loren Lenth, Rick Kirkeberg, Kevin Gramlich; and two sophomores: Dennis Schultz and Mark Wold. In tournament action the boys made a good showing against a strong Central of Elkader team and finished with a record of 7 wins and 11 losses.

With all starters returning next year, including sophomore All-Conference Honorable Mention members, Dennis Schultz and Mark Wold, the Bulldogs have sights on a very productive 1971-72 season.





Captain, Loren Lenth, led the team in field goal accuracy, shooting 47.8%.

Oh, To Be a Sand Trapper!

What you do with your spare time is your business, but at M-F-L constructive use of these leisure hours has been encouraged. After four years of spring golf the team has realized that this extracurricular activity is a sport not only to be enjoyed during school time, but which can be pursued in later years. This sport seems to be really catching on as evidenced by new members joining the team each year.

Words Toward The Future

Familiarity with the skills of speaking is one way to achieve confidence and poise. This was the purpose of the speech program conducted by Mrs. Hamann and Miss Sedlmayr.

Large group speech contest is a fairly new event in Iowa. This was only the second year it has been held. Costumes, make-up, props, setting, and special lighting were all part of the plays presented. Other divisions were: duet-acting, choral-reading, and play-reading. A new system of rating was used for the first time at this contest. Instead of receiving a Division I, II, or III rating, contestants were either certified to go on to state contest or not. From M-F-L, Noreen Lamborn and Debra Rothmeyer were certified to enter state contest held in Waterloo.

Due to poor weather conditions students were unable to attend the scheduled speech contest in Dubuque, but the sun shone brightly for them on the make-up day held in West Union when 9 out of 15 entries were certified to go on to state.

The speech year drew to a close with 5 students receiving Division I ratings at state contest. This was the end of speech training, but the experience and ability gained by these students will remain with them the rest of their lives.

Membership Reaches New High

Preparing youth for a career in education is the purpose of FTA. Membership climbed to a new high of 46 in 1970-71 with freshmen making up a large portion of the club. As is customary, they were subjected to initiation at the first meeting.

Held monthly, the regular business meetings were followed by beneficial and educational programs. Lunch was served. A teacher panel composed of Mrs. Martin, Miss Renes, Mr. Begalske and Mr. Heald was one of the programs. They answered questions posed by the students and also gave personal insights concerning the teaching profession.

From a slate of candidates presented at the District convention at New Hampton, two members of the local chapter were elected to office. Chris Glawe was selected as secretary and Gwen Goettler as vice-president.

For classroom experience, FTA members could participate in student teaching on a limited basis. During the year they also tutored and helped with kindergarten round-up and open house.

On the weekend of March 26, 19 junior and senior FTA members went to the State FTA convention at Ames.

Mrs. Boardman, the faculty advisor, leaving for the FTA State convention at Ames.

Meet The Press

Sheryl Miller, co-editor

Ric Benzing, co-editor

Through the guidance of the editors and from the work of reporters, word spreads of current happenings at M-F-L by way of THE BULLDOG GROWL.

Meeting weekly for assignments and a mini-class in journalism, reporters begin work in an attempt to meet the weekly deadline. News items cover a wide range from basketball to German, from kindergarten Halloween parties to senior graduation.

Working for the newspaper gives students a chance to exercise their writing skills. Through editorials they can express their ideas for appreciation or change. By writing in different areas students can meet many new people.

Mrs. Edward Kruse serves as guiding counselor for THE BULLDOG GROWL.

Getting It Together

What will the readers of the 1971 BULLDOG find in the annual? A pictorial review of events and activities that occurred during the school year.

Before work can even begin on the annual, pages must be planned in order to have continuity in the book. Schedules must be set up for group pictures, but informal shots of activities are taken by school photographers.

Members of the staff are assigned pages for which they are responsible. They write copy and then arrange the material attractively on the mats.

Due to an energetic and successful ad salesmen staff under the direction of Mr. Fullhart, the goal of 100 ads or more for the year was achieved. This enabled the '71 BULLDOG to be printed by the Inter-Collegiate Press, rather than being typed by annual staff workers, thus saving much time and labor. Because the print is smaller than typewritten copy, first names, as well as last names, could be used in identifying pictures.

School publications are among the few activities that continue during the entire year.

Mrs. Edward Kruse serves the annual staff as adviser.

Pieces Of Dreams

Pieces of Dreams was the theme of this year's junior-senior banquet and prom on April 23, 1971, presented by the juniors.

St. Patrick's Parish Hall was the setting for the banquet. The dance was held in Luana gym with music provided by The Badges.

Candi Klima and Tom Nuehaus, Vicki Schubert and Dave Torkelson, Dixie Russett and Keith Kutzbach were three of the couples that enjoyed the prom.

"Both Sides Now" and "We've Only Just Begun" were two songs that were enjoyed at the banquet. Those participating were Gwen Goettler, Wendy Russett, Jill Meyer, Terry Knockel, Steve Baade, Allen Miller, Kevin Gramlich, and Allyn Hagensick. Deb Marting accompanied the group.

"Music Man" Comes

For the first time in the history of M-F-L, the students performed a broadway musical which was given a two-night billing. Meredith Wilson's MUSIC MAN came to life under the direction of Mr. Ogle, Mr. James, and Mr. Bridges. The unusual romance of Marian Paroo and Harold Hill was revealed to the public November 6 and 7, 1970.

Marian Paroo (Geraldine Wille) reveals to Professor Harold Hill (Jon Blumhagen) some valuable information she has uncovered about him concerning his alma mater.

Winthrop, (Mike Mulligan) Mrs. Paroo, (Cindy Drahn) Amarylis, (Peg James) and Marcellus Washburn, (Ric Benzing) gather in front of the newspaper office.

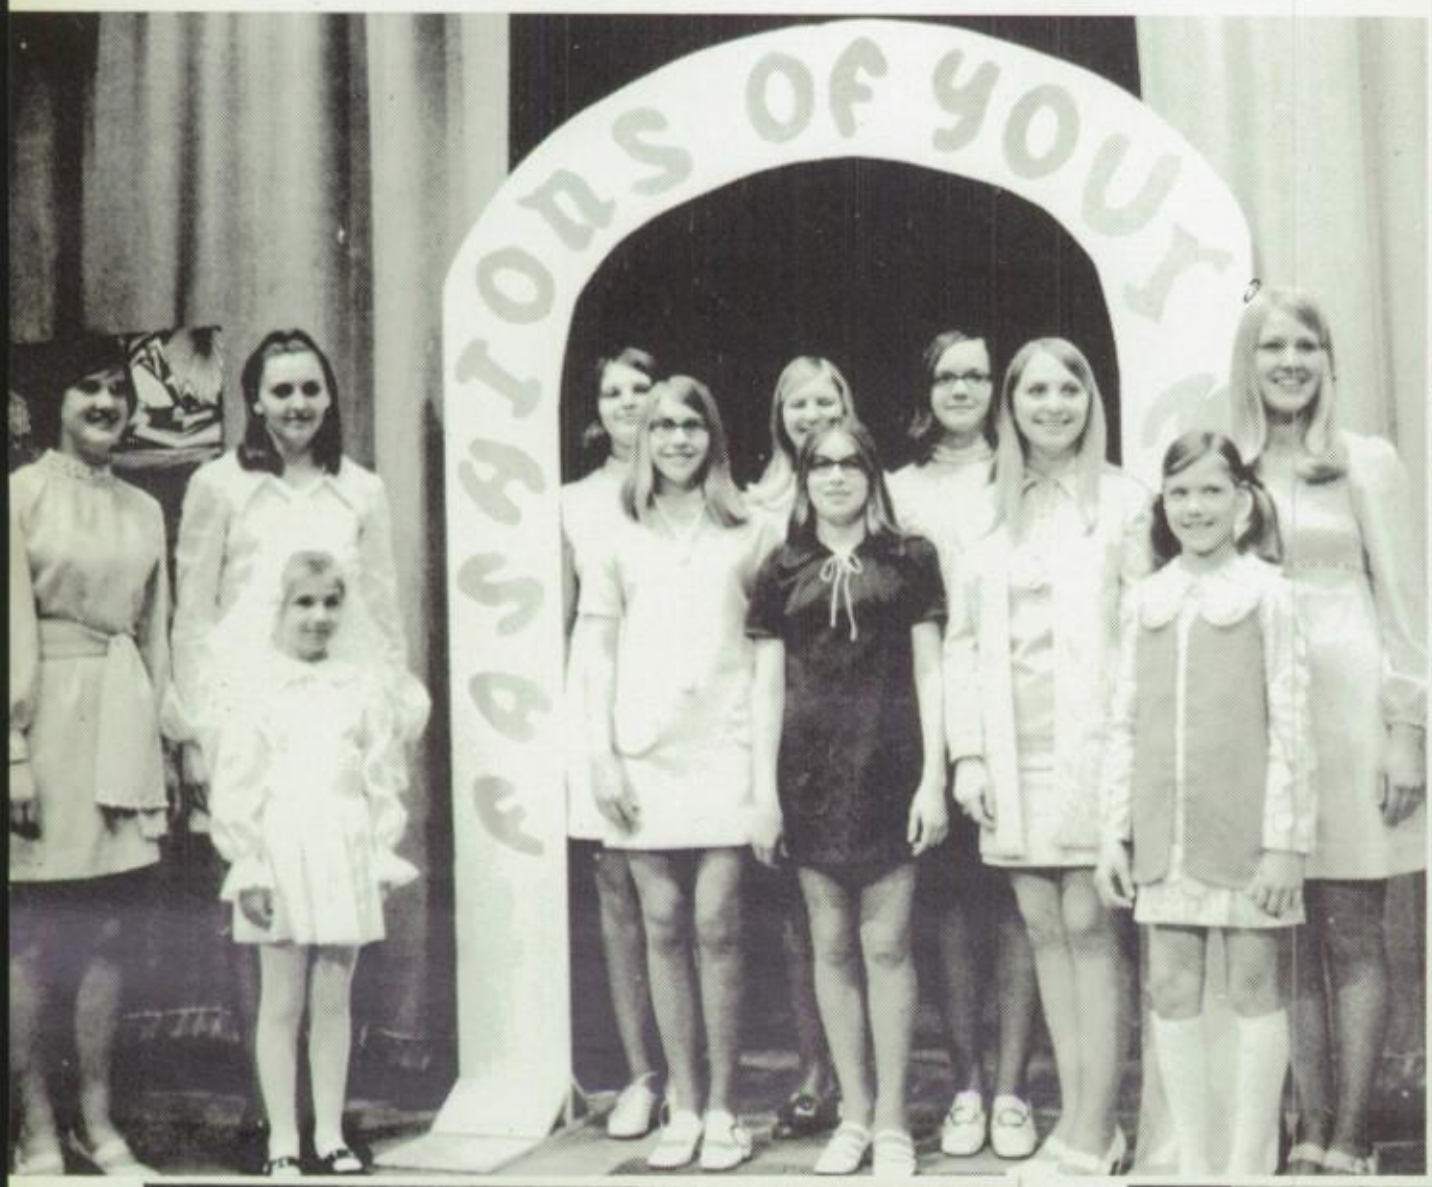
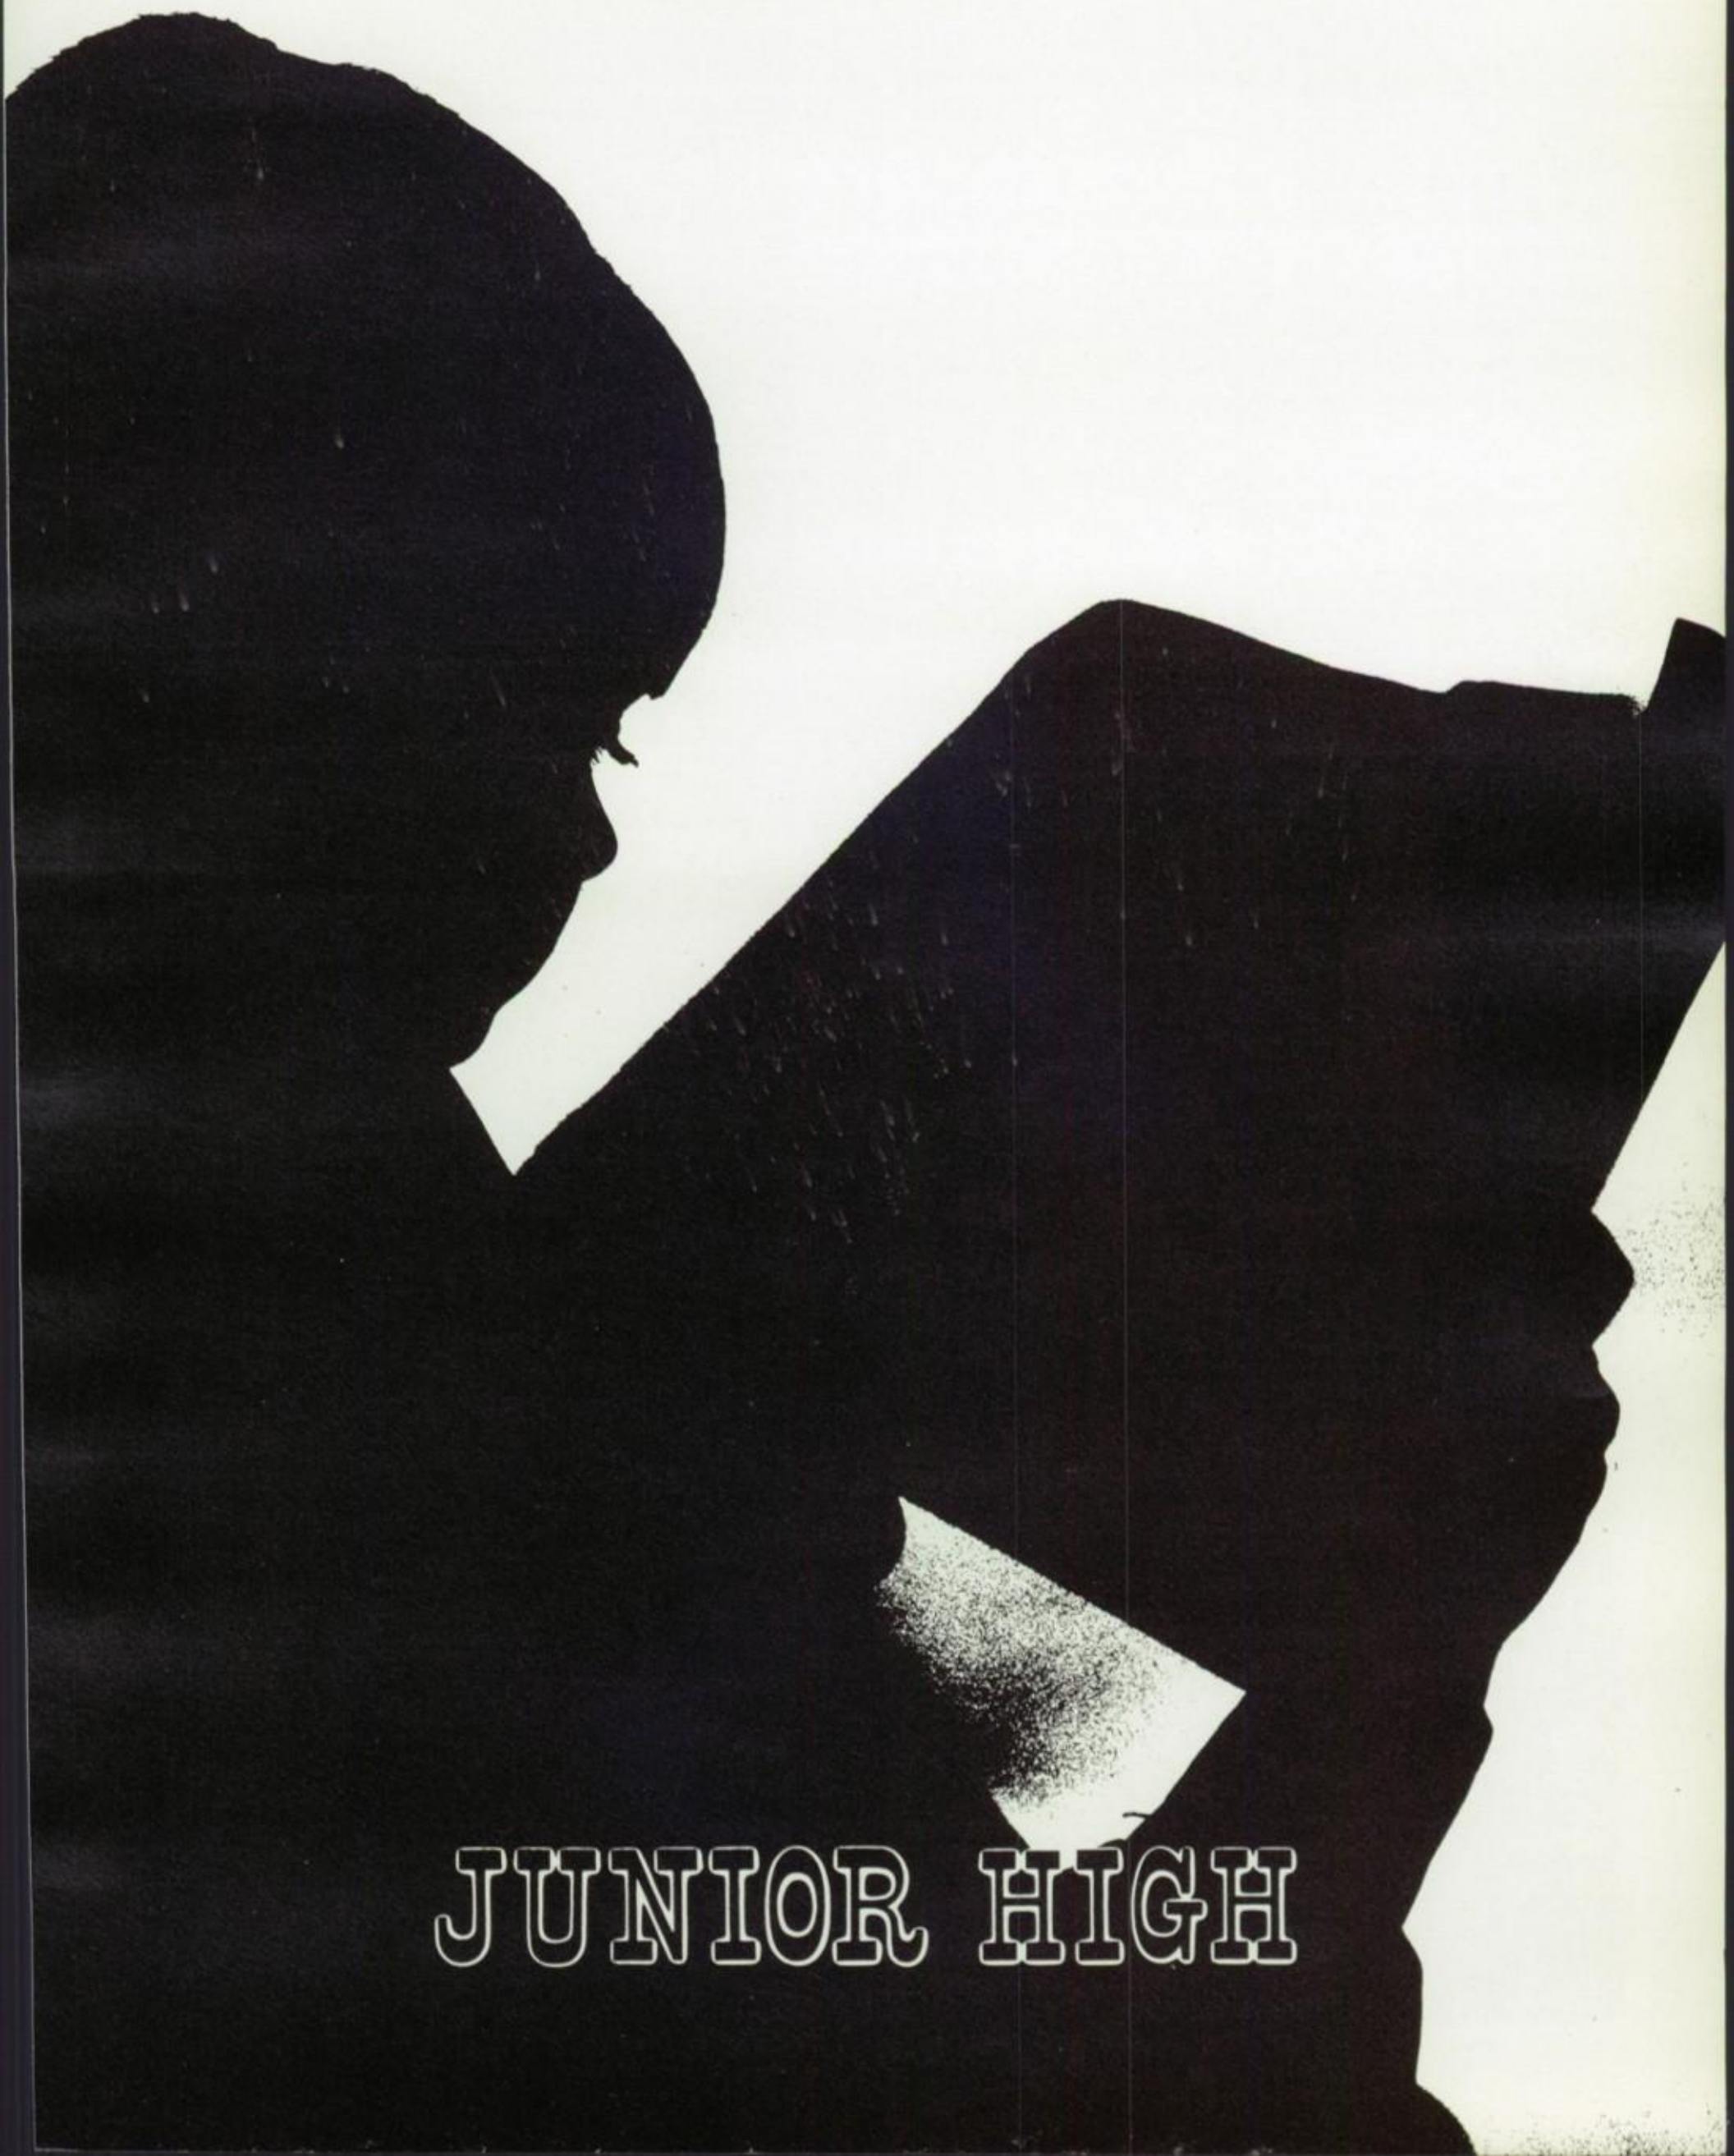
Fashions Revolving Around the Windmills of Your Mind

Psychedelic colors revolved around the theme, "Fashions of Your Mind," when the high school home economics department presented their spring fashion show on April 6, 1971.

Ninety-two girls participated under the direction of Miss Jan Renes.

Door prizes and refreshments completed the evening.





JUNIOR HIGH

Exploratory Subjects Taught by Jr. High Faculty

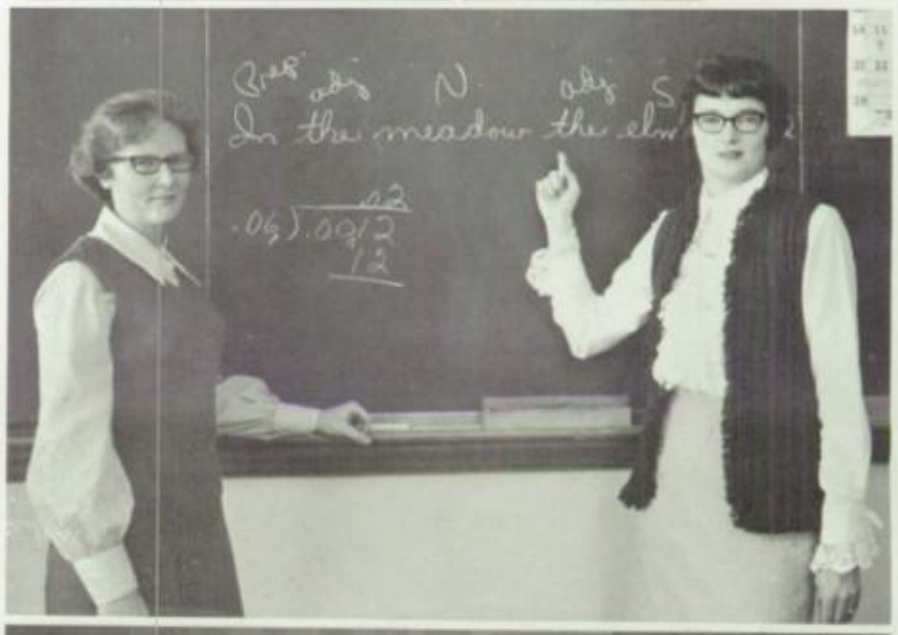
Well-organized style shows are a project of each semester's eighth grade girls home economics course under the guidance of Mrs. Verdis Schlake. One of her seventh grade science students, Beth Eide, placed first in the county conservation essay contest.

She has a BS degree from the University of Dubuque and has taught at M-F-L for 15 years.

Students in eighth grade and one section of seventh grade math continue their learning of modern math with Mr. John Waterman. In addition, he assists with Jr. High football. Mr. Waterman has taught here three years and has his BA degree from the University of Northern Iowa.

Eighth grade English and one class of seventh grade English account for curriculum classes of Miss Linda Sedlmayr. She also directs the junior high plays and is assistant high school speech director. Miss Sedlmayr has her BA degree from Upper Iowa College in Fayette and has taught at M-F-L for six years.

Eighth grade typing, where the fundamentals of this skill are learned, and three sections of seventh grade math have been Mrs. Harold James' classes for two years. She has a BA degree from Upper Iowa College in Fayette.



Since joining the M-F-L teaching staff two years ago Mrs. Wayne Venter has assumed the duties of teaching three sections of seventh grade English. Mrs. Venter received her BA degree from Wartburg College.

Coming to M-F-L from Upper Iowa College where he was awarded a BA degree, Mr. Louis Wiegand has completed his first year of teaching. He was assigned eighth grade civics and government classes. He is also head football and wrestling coach and assists with track and high school wrestling.

Mr. John Schroeder is also a 1970 graduate of Upper Iowa College with a BA degree. Seventh grade geography and history are under his tutelage. His other duties include being assistant football coach and head basketball, track, and baseball coach.

Special Teachers for Special Subjects

Mrs. Lloyd Welch has the distinction of being the first remedial reading teacher in Clayton County. Her students are from the grades at the Monona center. She feels that "If they can read, they'll be able to get along."

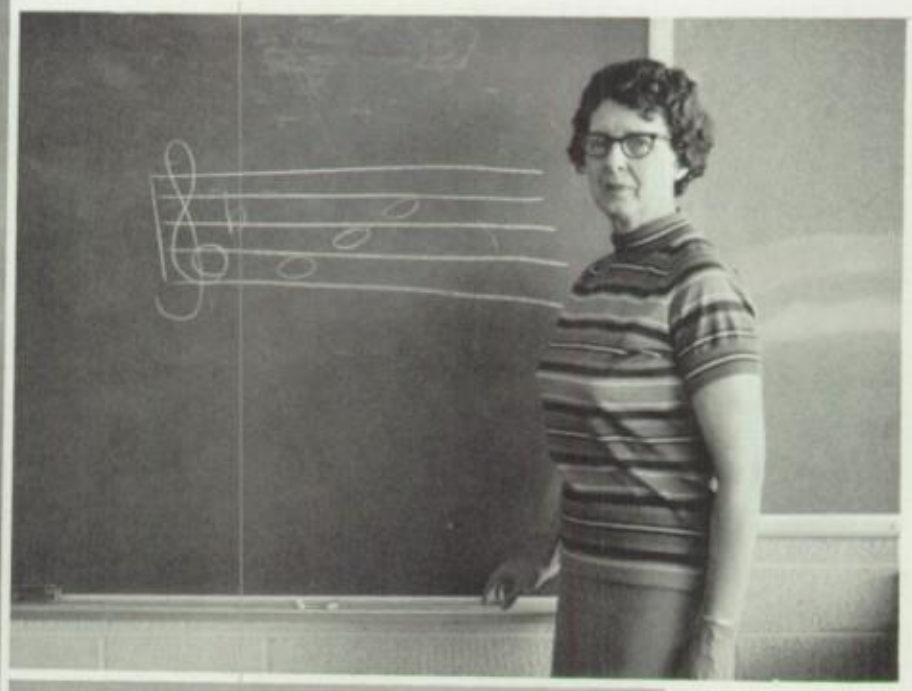
A graduate of Columbia, now known as Loras, she also holds a diploma from Upper Iowa College and has taught at M-F-L for the past 17 years.

Remedial Reading is the title of the subject taught by Mrs. Richard Augustine, but it has taken on a new aspect. Ginn's New Reading Series, which was introduced this year, relates more to developmental reading than remedial. She teaches in Luana and has the third, fourth, and sixth graders in that center.

She received a BA degree from Wartburg and has completed five years in the M-F-L system.

During the past 20 years that Mrs. Robert Evans has taught at M-F-L, she has inspired the grade school children to appreciate music with rhythms, songs, dances, and fundamentals. Before the music department was enlarged, she also taught junior English.

She is a graduate of Upper Iowa College with a BA degree.



Even the most familiar tunes seem special when accompanied by the Autoharp. Mrs. Stanley Stade finds that this instrument gives pleasant variety to traditional songs that the Farmersburg grade school children sing.

Mrs. Stade majored in music at Luther College and has a BA degree from that institution of higher learning. She has been on the faculty of M-F-L for nine years.

Retiring Teachers Are Recognized

Mrs. Welch attended Columbia, now known as Loras College, after her graduation from high school. Upon completion of a normal training course, she began teaching at St. Columkills in Dubuque. After her marriage, Mrs. Welch taught country school. After the reorganization of country schools, Mrs. Welch taught junior high English for two years at M-F-L. At the end of this time, she branched out into remedial reading and has specialized in this department ever since.

Because continuance in one school system adds strength to the teaching staff, M-F-L is also fortunate to have grade instructors who have dedicated many years of service to our school.

Mrs. Oliver Eno (Helen) and Mrs. Lloyd Welch (Caroline) were honored at the Commencement Exercises, May 20, after having taught in the school system for 18 and 17 years respectively.

The remaining elementary teachers with the years they have taught here are: Mesdames Anne Kamin, 18 years; Vera Moon, 26 years; Ethelyn Herrmann, 15 years; Florence Evans, 20 years; Harriett Plaehn, 16 years; Helen Doerring, 14 years; Grace Doerring, 10 years; Sarah Nelson, 16 years; Jean Monserud, 11 years; Ruth Vigen, 12 years; Sharon Staade, 9 years; Ellen Thoma, 9 years; Marjorie Drahn, 6 years; Margery Wachter, 5 years; Rachel Hoth, 5 years; Shirley Foels, 4 years; LaVon Kottman, 4 years; Mary Augustine, 4 years; Selina Embretson, 3 years; Jeanne Wirkler, 2 years; Carole Gerdes, 2½ years; Frances Kruse, 3 years; Lois Garms, 2 years.

After her graduation from high school, Mrs. Eno began her teaching career in a country school where she taught six years. She taught in South Dakota for six years, returned to Iowa and taught for seven years before coming to Luana where she spent the past 18 years. In addition, she has served as building principal the last four years. In 1961, Mrs. Eno achieved a life-long ambition–her degree in elementary education from Upper Iowa College.
